All-New Feature: View Your Life Insurance and Name Beneficiaries via the Self-Service Center (ESS)

INTRODUCING NEW, EASY-TO-USE NAVIGATION IN THE SELF-SERVICE CENTER (ESS)

The Self-Service Center is now easier to navigate with an all-new home page that features quick links to the features you access most, like the Team Member Comp Pass System, Internal Application System, your contact information, pay, benefits, and more!

These quick links are categorized and available on the left-hand side of the screen upon logging in. Alternatively, you'll still be able to navigate to your selection via the dropdown menus on the top. In addition to the new navigation, announcements have now been added to the home page. Once logged in, you can check out featured topics related to benefits and features offered within the Self-Service Center. Log in via UOTeam.com and check out the updates today!

An all-new feature is now available in the Self-Service Center (ESS). You can now view your life insurance information and name/change your beneficiaries at any time online! By using the Self-Service Center, you can now do the following:

- View your Life and Accidental Death and Dismemberment (AD&D) coverage and amounts
- Name/change your beneficiary information online – including primary and secondary beneficiary information
- Complete an Evidence of Insurability form to increase your life insurance if you are a Regular or Casual Team Member

Basic Life insurance coverage is another great benefit that Universal Orlando provides to ALL of our Team Members and it's provided at NO COST to you.

We hope that this benefit will never be needed by you; however, we know that in the event of death, there is a financial need for funeral and burial costs placed upon the family and loved ones of the deceased at a highly emotional time. Universal Orlando wants you to know that we value you and in the event of need, we will be there to support your family and loved ones.

As a reminder, Basic Life insurance is provided as follows based upon your classification:

Peyton Manning Becomes Vacation Quarterback In Universal Parks & Resorts Super Bowl Ad

Peyton Manning becomes vacation quarterback to America in a new Universal Parks & Resorts commercial that aired during the Super Bowl – coaching families to take their vacation to the next level at Universal Orlando Resort and Universal Studios Hollywood.

"This is your moment," Peyton coaches a family starting its day at a Universal theme park in the extended version of the spot. "You are more than a team. You are a family. Now let's get out there and play."

Manning joins the family during both spots to make sure they really do take fun to the next level. He screams on a roller coaster, scrambles away from a Raptor showing its "game face," and has a churro intercepted right out of his hands – and more.

Welcome to Spotlight on CityWalk – a brand-new series that invites you to experience what our "Epicenter of Awesome" has to offer. This will include exclusive Team Member discounts throughout the year, and a behind-the scenes glimpse at some of our amazing venues.

Spotlight on CityWalk: Bob Marley – A Tribute to Freedom℠

This month, we are shining the spotlight on Bob Marley - A Tribute to Freedom, Universal CityWalk's Jamaican-inspired full service restaurant. This site was designed by Universal Creative in close collaboration with Rita Marley and the Bob Marley Foundation to resemble the iconic musician's home in Kingston, Jamaica.

THE SIGHTS We met up with the Bob Marley team to take a closer look at the venue. We were greeted by Team Captain, Janie, who gave us a tour of the building and pointed out some of the hidden gems that help bring the "King of Reggae's" house to life. We found out that there are quite a few artifacts, some that were provided directly from the Marley family. Check out some of the highlights we found and stop by to check out so many more:

This is not just any table - it's an actual table direct from Bob Marley's house and was provided by the Marley family.

The home wouldn't be complete without showcasing the three of his best-selling albums – Burnin', Exodus, and Live!

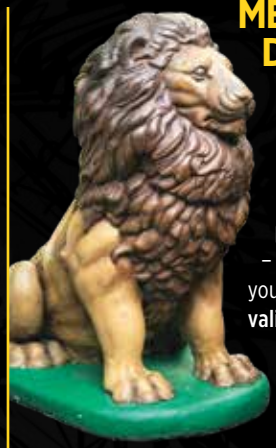
This Dashiki tribal shirt was given to Bob as a gift from a fan from Africa.

Take a moment to take in the full-size replica of the musician's famous Gibson guitar (he was buried with his real guitar).

Step into the kitchen (located behind the upstairs bar) and you'll find actual supplies from the original Marley house, provided by the family.

THE WARES The Island Market offers a wide variety of merchandise that celebrates the music and culture of Bob Marley. The store features T-shirts, ladies tank tops, fleece hoodies, caps, posters, CDs, beach towels, flags, drinkware, jewelry, and more. **Stop by and take advantage of your 35% Team Member discount** (restrictions may apply)!

THE SOUNDS No true tribute to Bob Marley would be complete without the music of the islands. T**o create a fully immersive Caribbean experience, a live reggae band and DJ perform in the courtyard every evening**. The band starts at 8:00pm Mon-Thu and 9:00pm on Fri-Sun. Team Members and a guest receive free access nightly after 10:00pm (must be 21+ to attend, excludes special events).



EXCLUSIVE TEAM MEMBER DISCOUNT: Feb 1 through Feb 28

Come experience the delicious cuisine and positive vibes of Bob Marley – A Tribute to Freedom for yourself! **Team Members with a valid UO ID receive one (1) free appetizer per group/table** with the purchase of an entrée during the month of February (other restrictions may apply).

Team Favorite Appetizer
Buffalo Soldier Jerk Wings

Team Favorite Entrée
Oxtail Stew

THE TASTES The menu at Bob Marley - A Tribute to Freedom offers a unique and abundant selection of Jamaican-influenced dishes, making it nearly impossible to choose just one! That's why we went straight to the source and had the Bob Marley team tell us their favorites. **Team Members were polled on their top appetizer and entrée at the restaurant, and the results are above.**

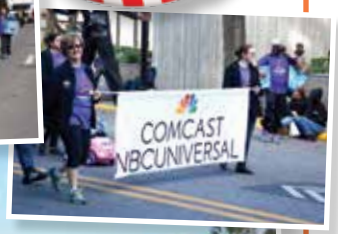
Teams Partner to Introduce All-New Training Lab

Talent Development proudly introduced their latest training space earlier this year and celebrated with an official grand-opening recently. The need for the new space was identified out of a partnership between Technical Services, Environmental Safety and Health (EHS), and Talent Development. The teams saw an opportunity to offer more hands-on experiences during required safety training and set out to create a location that would offer enough space to fully immerse participants in real-world scenarios. They decided to make creative use of space from a former attraction in Islands of Adventure - turning it into an all-new training lab. The location not only offers Technical Services Team Members a new, interactive training experience, but can also serve as space for a multitude of training classes and team meetings for all divisions.

"We are proud of the partnership we built with Technical Services and EHS as we created this world-class training lab," says **Jimmy Stewart**, Manager, Talent Development. "Our team worked hard and had a lot of fun transforming this unique space into a location that offers us a whole new way to engage Team Members in our safety training programs. The first classes were really excited and we can't wait to invite more Team Members to check it out!"

SCENE AROUND 34th Annual Dr. Martin Luther King Jr. Parade



On January 13, **Diversity & Inclusion's African American Network** celebrated Dr. King's voice, teaching, and his love for humanity by marching in the 34th Annual Dr. Martin Luther King, Jr. Day parade. Team Members, friends, and family represented Universal Orlando as they marched through Downtown Orlando with some of our beloved characters.
